New Inverurie Academy -

No news to report. Public consultation on the new Academy on Thursday 28th April 2016 at Inverurie Academy

In process to set up courses in First Aid, Child Protection and Nutrition. Discussed the possibility of specific course in first aid to cover governing bodies requirement for coaches.

This event was cancelled as doubtful if feasible for club participation and population visiting. It was suggested a better way to advertise was to use the modern media systems. Would look into film, Facebook etc., and get the possibility of getting schools involved.
